41
42 I think it is more or less of a place where
43
44 something is really about to explode. It is

Hopefully that he will try to do something about the problem on the west side. Because, see, as long as you let the problem exist we can keep hollering about crime rates and all of this but if we really want to stop crime rates then we get some jobs for people because ain't nobody in the world. I wouldn't even recommend that a man stand out in front of the A&P or the Acme (phonetic) markets and look at a ham and starve to death there. So the best thing for him to do would be to break the glass to get him some ham. Now so the structure wants to deal with this then they have to begin to give some jobs, make some jobs.

Moderator

Will you also be a job seeking agency?

THOMAS

Certainly. We will be trying to seek out employment for, as the structure say, qualified personnel. We will be trying to find them some qualified personnel.

Now that is the crucial question.

14 THOMAS

Well, the board figure that you must feel as
though you have to make a decision whether you
stand for freedom or you are out here just
saying you represent freedom or you are fighting
for freedom. And this means whatever necessary
to gain freedom, this is what you are willing to
do.

28 Moderator

In other words, if a person who say he is for
freedom and is fighting for freedom unless he,
well, joins your group then you don't believe
that he really wants it. Where you would go
all the way possibly in order to get the freedom
that another person would take to the courts.

40 THOMAS

Well, what I mean. I hope it don't be misleading.
We're glad to see the other groups here.

THOMAS

Well, that's true. You see, because how can you
tell a man that you are going to be out here
after this freedom and are going to let him beat
your head and when he whip your head you are
coming back tomorrow and let him whip your head.
To us this does not seem like being a man. Now
we are after what is rightfully ours and upon
action for what is rightfully ours then I
expect to get it and we don't expect you to use
brute force against us to deny us this.

Moderator

Ladies and gentlemen. I just got a note from
the control room that we had a little difficulty
before we went on the air and probably you
didn't hear who our guest is tonight. He is
Mr. ERNEST THOMAS, who is the Regional President
and Northern Director of the Deacons for Defense
and Justice. They opened an office on the west
side three weeks ago. As I said, I want to
welcome him back. You know he was our guest,
I think it was back in October, wasn't it?

THOMAS

Yes, it was.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

Moderator

So in case you were listening and wondering who that was on the "Hot Line" his name is ERNEST THOMAS and he's the top Deacon here. Is that right?

THOMAS

That's true.

Moderator

Why do you say Deacon? Why not pastor?

THOMAS

It was a name that was kicked around and it was beginning to look... All this was church orientated and so the Deacons more or less taking care of the business of the church and so we said this is a good name because we're out here protecting the civil rights workers so that is the name we settled on, Deacons for Defense and Justice.

Moderator

Is there any way of just recognizing a Deacon on the street?

THOMAS

No, there is really no way because as you know Deacons are black so, you see a lot of black people.

Moderator

You want to see a million Deacons. What about women? Can they join?

THOMAS

Yes, women can join too. We have a Deaconess started. This is only in the Northern chapters, though, that we have Deaconess.

Well, I pretty well covered it.

What about a fellow who has been in prison?

Well, a man being in prison doesn't...

He can still be a Deacon.

He still can be a Deacon because man you have to face this fact, and this is one thing I blame society for. If a man has a criminal record and if we're trying to reform the man certainly he needs employment. And we find as a whole your criminals are mostly unemployed and with no hopes of getting a job because as soon as a man looks at his record then he refuse him so therefore you are telling him go back out and stick somebody up or go back out and do the same crime over again and let the state take care of you. This is bad.

Well, we intend to protect civil rights workers to a point in the city of Chicago. If we're called upon to help out then we will do this.

Now what do you mean by that. That's rather ambiguous. If we're called - say that they are marching as they did down near Mayor DALEY's home as they did last summer and they ask you for protection. Now maybe, oh maybe 200 or 300 policemen there. Would they feel they needed some protection from you? I mean just say that someone said well here's a good chance for us to have a confrontation. Let's call the Deacons. What would you do in a case like this? Well, we would come in more or less as witnesses to the fact. We wouldn't participate openly in the march but we would be there as spectators and we would be looking out for police brutality and John Bigot coming around and agitating them whereas they have committed them to non-violence. So that if the police would not handle John Bigot we would take care of John Bigot for them.

And then what about if the Governor would send in the National Guard and they declare martial law?

26 Moderator

Now what do the Deacons, what do you think about the Chicago Police Department?

30 THOMAS

Well, here on the off and on periods that I have been in the city here could stand a lot, could be changed in Chicago here with the police department to make it function a little better. For an instance, on the west side here you see sometimes two white police. Well, a lot of times you see two white policemen in the car together, two blacks together, then you see, at night I see detectives riding four whites in the car. When you see things like this you know

that some black person is going to get abused because when they riding like that that is what they're out there big. Ninety per cent of the time. And this is bad. And if the man really wanted to make a change in Chicago then there should be integration here. Black and white police together. And this way the black one couldn't abuse the white one and the white one couldn't abuse the black one because after all he belongs to the black race and he belongs to the white race. This would seem to be a way of balancing it out. But I've been told they have done it last year, you know, during the riots for a while but then they put them back together. So I don't know what the situation is going to be here. That would be one of my suggestions to, as a matter of fact I have a meeting with Superintendent WILSON on Thursday evening. I am going to strongly suggest this would be one of the best things really if they intended to try to keep it cool some, is to put a little integration in the Chicago Police Department.

Now, getting back to this riot. This is a very sensitive issue here. What do you think will be the major cause of a riot, if there is one?

Well, that would go into quite a few parts.

The frustration that the black people live in the ghetto from day to day creates a certain

will occur from police brutality.

trigger it off, as it did in Watts?

THOMAS

That is true.

Moderator

Do you think the same disastrous results
would...

THOMAS

Well, I think if a full scale riot would get
rolling in the city of Chicago it would be
much more difficult than the one in Watts.

I would say it would be three times as worse
as the LA riot for the location of the city, the
way Chicago is located. You have blacks on the
north side and the west side and the south side.
Now this would create, I think, a more worser
riot than the LA riot.

So this is a known fact so we're not assuming that these are all the good guys but we are not assuming that all of them are bad guys either, but we know that there are more Birchites and Klansmen, Minutemen in the city of Chicago than they could muster in Mississippi, Alabama and Louisiana put together.

A live rat. And as big as the squirrels we kill down South.

Do you think that the Chicago Welfare Agency is doing a good job?

But it is not doing the job that needs to be done to help the people, you see. There's a difference. A lot of people get confused even with the poverty program. It's serving the purpose that the man wants it to serve but it is not serving the purpose that we want it to serve and that is to help black people.

Moderator

Getting back to a question just a previous one, you were talking about the slums and you were saying that it is not as good as people see it. Who is saying it is good? Everybody I've heard here in Chicago, in the last few years I think everybody is saying it's bad.

THOMAS

Everyone's saying it is bad but yet we don't see any changes.

Moderator

But then nobody is saying it, then you will retract that saying that we are saying it is good living in the slums.

THOMAS

Why, sure. If I made that mistake I certainly retract that.

Moderator

What do you think about the unemployment situation here? What are you going to do about that?

2
3 THOMAS

Well, it is really bad and somehow or another we're going to have to meet, I am quite sure, with the city officials here and the state employment agency and the poverty program people and see about getting some of these people some jobs.

It's going to be quite a problem. That is why I say we are going to need some help from various groups to help put this together, put a program together to where it will be effective, and unless we get some help like I say it's going to be very difficult to help people.

thing about it. Now, I don't need to sit
around and talk to him 40 or 45 minutes, two
hours, three hours and get up and leave and
nothing is done. That's just a waste of my
time and a waste of his time and I think it's
very bad. I don't think too much is going to
come out of it. As a matter of fact I am
supposed to go to Washington on the first and
second and picket it. We are supposed to bring
up about 2,000 Deacons.

Moderator

In other words, you don't think too much about
the conference.

THOMAS

No. I don't think too much good for the black
people will come out of the conference.

29 minutes and I want to ask you one question.
Do the Deacons intend to demonstrate in Chicago
this summer?

11
12
13 THOMAS
14
15 Well, we really don't intend to demonstrate.
16 I think demonstrations are played out just
17 about and I think this is one approach we have
18 used to the fullest. I find when you go out
19 in the street demonstrating the man says he has
20 a Constitutional right to picket, you have a
21 lawful right to demonstrate and then he comes
22 around and locks you up, and you pay thousands of
23 dollars in court fees and then after paying all
24 that you cut it loose, you know. We don't have
25 any intention of spending no great fortune on no
26 demonstration, the man arrests you and all that,
27 so I don't see that we would be in the streets
28 too much demonstrating because this does not
29 get us too far. We get the short end of the
30 stick every time.

Yes, well we feel as though we need a little help in the city of Chicago now and we have called in and in the next two months, two to three months, there will be approximately ten to fifteen thousand outside Deacons coming in to the city of Chicago to try and help...

How many?

Ten to fifteen thousand.

Ten to fifteen thousand Deacons. They going to live here?

They'll live in the city.

They will live in the city.

That's right.

So we can expect an influx of ten to fifteen thousand Deacons.

Over the next three months.

Over the next three months.

Ladies and gentlemen, our guest tonight is ERNEST THOMAS, Regional Vice-President and Northern Director of the Deacons for Defense and Justice, which opened an office on the west side here three weeks ago. If you have a

Well, we are back with you ladies and gentlemen.
Our guest tonight ERNEST THOMAS, Regional
~~Vice~~ President and Northern Director of the
Deacons for Defense and Justice. Our telephone
number 847-2602, and from all indications a lot
of people are going to have something they want
to talk with you, Mr. THOMAS. I'd like to ask
you two or three other questions before we go
to the telephone and that is - you know that
we have a lot of young people here in Chicago.
They have associated themselves in what we call
gangs, west side gangs, east side, south side,
north side. You name it and they've got gangs.
Will there be a youth program with the Deacons?
Yes, we are hoping strongly that we can get a
pretty decent youth program.

Moderator

You going to draw them from this group here?

THOMAS

Well, that's true. But what I am say is
I don't see Negroes on a mass scale out there
talking about the war in Viet Nam. I think
this is really what need to be that blacks say
well why should I go to Viet Nam.

Moderator

Oh, you think they should be out on the peace
move, or are you?

THOMAS

I'm saying that Afro-Americans should be out
there. I'm not so much concerned with whether
they are integrated out there but I'm saying
that because there is a different cut of the
pie when although some the ones that are
protesting now the war in Viet Nam whites may
eventually end up working on the space ship
that goes to the moon or somewhere. But I'm
speaking of black people that are dying and
that have died in every war in this country and
now when we come back home we cannot get our
rightful slice of the pie. And every group,

148

every other minority group has gotten a slice of the pie. This is why I am saying black people are going to have to say well why don't you go fight your battle until you give me my rightful share of the pie. See, because I believe in this law in the sea. You know, the ship is sunken and damaged and you tow it in you get so much of the cargo. So I think if we help you exploit the people then we should have a rightful cut of the pie.

Moderator

One other question. What do you think of the political structure here in Chicago?

THOMAS

Well, from all indications it is a pretty bad thing.

Moderator

In what respect?

THOMAS

Well, in all respects.

Moderator

Such as.

THOMAS

Well, all these problems exist, unemployment; like I say the fuse is lit to blow up and this is because X number of things. Welfare is not giving the welfare recipient enough money, they are taking the man and tearing him away from his

Hello Mr. SOUTH.

Moderator

Yes.

First Speaker

This is EARL YOUNG. I haven't caught all of
your program but I did catch a portion of it
for your interview with the Deacons and I
would like to say with all due respect to the
Deacons and any constructive approach they
may have to solving the situations and many
problems that we are having in Chicago I do
hope that if they have the chance to meet with
city officials that they will make it clear
that they do not represent the Negro population
as a whole because judging from the appearance
that they seem to be giving on the program I
for one would not want to be represented by them
Thank you.

Well, we would probably be pretty busy telling a man the problems, and I think by telling him the problem and pointing to the problem and the street groups can more or less demonstrate around them if they like.

Second Speaker

I would like to ask you one more question.

Will the Deacons participate in any political campaigns while they are here?

THOMAS

Sure we will participate in political campaigns while we are here.

Second Speaker

Here is one more thing. This is the last question. What sort of success have you had in recruiting people from the city of Chicago?

THOMAS

Well, as I say we have somewhere around 455 now and I consider that from the time we have had to work with them I figure it's very successful.

This is the Hot Line.

23 Third Speaker

Hello. Mr. THOMAS please.

25 Moderator

Go right ahead.

27 Third Speaker

Mr. THOMAS, I understand you to say that you
are going to point up the problems to the man.

Aren't the problems already pointed up? I

mean, aren't they aware of the problems now?

35 THOMAS

I think I made that statement that the man
knows more about the problem than I and you
put together.

41 Third Speaker

Why do you need fifteen thousand other people
in here to crowd the situation that we now have
to point up a problem that is already self-
evident?

Negroes have moved in Chicago into brand new
houses and have created slums right in their
present house. They move into old housing that
has been kept clean in spite of the age and dirty
it. They steal light bulbs out of their own

Well, now you see when a man do not have a
decent job, because the only reason he don't
have a decent job is that he is black. And
all of this perpetuate the whole situation to
make it be like it is. Here a man. He is
worried how he is going to make another buck
and you worried about whether you going to
paint your house this week or next week or what
color you going to change it. And he don't
even see where he can get any paint, you see.
And these are the problems that exist to create
a slum. Then you bring in all the slum
buildings that are supposed to really be torn
down and the city inspectors come by and they

Third Speaker

Oh, I'm quite black.

Well, we are striving for the conditions of the whole U.S. We are not just concerned just with Chicago. I want to be able to go to New York, anywhere else. We are not just concerned with just Chicago because I have some sixty seventy chapters and I am concerned about what is going on in all these seventy different places. And this is my concern. Now your concern might be just right here in Chicago, but mine's not. Well, since you are here in Chicago don't you think part of the program could be geared toward helping the black man help himself?

That's true.

I mean like not only fighting for your rights...

And one of those ways is to find himself and to be a man. And we cannot find ourselves and be a man by letting you whip me side the head.

Now everybody isn't whipped side the head.

Well, you whip one way or the other or you whip side the head or you whip mentally.

Either way you whipped.

Oh, yes...

You never seen them get arrested in Chicago?

I've never been in the South but they have had heads whipped in other areas other than the South.

Right. Have you heard of police brutality in Chicago?

39

Yes, there's police brutality in Chicago but what I'm speaking of is the fact that there are more areas to work than just the violence.

Sixth Speaker

Well, for the simple reason...

That I've earned it. You know I've gone through a lot in the last 30 years or so. Ever since the days of the Scottsberg (phonetic) case. You'll defend white civil rights workers, won't you?

THOMAS

Sure, certainly.

Sixth Speaker

Well, why don't you let them participate in your organization too?

THOMAS

Wait a minute. It's just like the Jews having a Jewish organization that they only let Jews in and just like the White Citizens Council only let white people in; the John Birchers only let white people in. I could name you so many groups that don't have anything but whites....

Sixth Speaker

You are mistaken about many of those organizations because most organizations have dropped their bars.

THOMAS

I don't know of any blacks in the Ku Klux Klan or the Minutemen or the Birchers.

No. It's just being a black organization, and nothing wrong with being a black organization. No, but you say that the purpose of your organization is to defend the rights of the Negro, to work for his dignity. I approve of these aims, generally speaking, although I don't know about the pistol packing part. But suppose a white person was just as much interested as you in defending the dignity and the rights of the Negro people. Why should he be barred from a group like that?

And before you answer I would like to ask you this question. A moment ago you said to a woman that the pigmentation of her skin may have been... That she was white on the inside but her skin was dark. What about a person being...

White and dark inside?

Yes.

Well, that's true. I accept this fact. But also...

You know how many white civil rights workers

You know how many whites have been killed in the

True.

People who have gone in there fighting against
segregation and for civil rights.

And we've protected more white civil rights
workers than we did black civil rights
workers, but anyone that even was down South
and ran across any of the Deacons or happen to
know me personally know that I'm a pretty nice
fellow to meet but when we hold our membership
this is what it is. We have a lot of whites
that we work with.

But when you treat white civil rights workers
and people who are on your side whose skin happen
to be white, when you treat them as if they are
the enemy and they can't belong to your organiza-
tion then you're giving a lot of fuel to the
fire then....

Alleged DDJ Chapter in Washington, D.C.

An article appeared on page B-1 of the March 30, 1966, issue of "The Washington Post and Times Herald," a daily Washington, D.C., newspaper, captioned "Bogalusa Unit Plans Move to D.C.," authored by WILLIAM RASPBERRY. A copy of the article is attached.

The article by RASPBERRY indicated that the DDJ planned to establish a chapter in Washington, D.C., and he questioned the plans for such a move. The article stated that according to JULIUS W. HOBSON, "militant leader of ACT and a prospective Deacon," the move to the area was due to increasing brutality on the part of police officers and the failure of officials to punish it. HOBSON, according to the article, said that the Deacons could probably recruit as many as 300 to 400 men in the Washington, D.C., area, and it was HOBSON's theory that Negroes must organize to strike back at brutal officers.

[REDACTED]
[REDACTED]
advised the FBI as follows:

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

WILLIAM RASPBERRY, writer of the article in the March 30, 1966, issue of "The Washington Post," wrote an article entirely misleading to the readers, and appeared to present information obtained from HOBSON, which was not true. RASPBERRY had attempted to interview HOBSON on approximately February 26, 1966, at which time HOBSON referred him to someone else.

HOBSON [REDACTED] personally demanded a public retraction by "The Washington Post" of the article; however, he was granted the privilege of writing a Letter to the Editor with his comments, which he was assured would be published on March 31, 1966.

Alleged DDJ Chapters in Mississippi

[REDACTED] Mississippi Freedom Democratic Party (MFDP), 507 1/2 North Farish Street, Jackson, Mississippi, advised [REDACTED] that the MFDP, to his knowledge, has no one in their organization who is a member of the Deacons of Defense and Justice (DDJ). He said the MFDP has been the center of the civil rights movement within the state of Mississippi for the past year along with the National Association for the Advancement of Colored People (NAACP), and there have been no attempts made to recruit chapters of the DDJ. To the best of his knowledge, there have been no members of the DDJ from Bogalusa, Homer, or Jonesboro, Louisiana, in Jackson for the past several months attempting to recruit members for the DDJ.

[REDACTED] that no additional information (C) has been received concerning forming chapters in the state of Mississippi since last contacted. The source advised (b1) that there are no chapters of the DDJ within the state of Mississippi. [REDACTED] that the NAACP within the (C) state of Mississippi has refused to have any association with the DDJ in Louisiana, and there is no one in the MFDP strong enough to form a chapter of the DDJ within the state of Mississippi.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

[REDACTED] that he has traveled throughout the state of Mississippi on behalf of the civil rights movement, and he has received no information that chapters have been organized within the state of Mississippi. (c) b1

[REDACTED] He advised that there has been no information obtained concerning the existence of any DDJ chapters or actual members. [REDACTED] that daily contact is had with negro and white civil rights workers. (c)

[REDACTED] advised on April 22, 1966, he could furnish no pertinent information concerning the DDJ. He said that since the DDJ held a meeting at the Masonic Temple, Lynch Street, Jackson, on August 29, 1965, there has been no other efforts, to his knowledge, to recruit members. [REDACTED] stated that he has attempted to determine if the NAACP and the MFDP have recruited members of the DDJ for protection in the Jackson area, and he has been unable to substantiate by investigation any activity on behalf of the DDJ. b7C b7D

[REDACTED] advised on April 22, 1966, he could furnish no pertinent information concerning the DDJ not previously furnished. He said there have been several racial situations occurring within the state of Mississippi the past several months, but investigation [REDACTED] has disclosed no activity on behalf of the DDJ.

Alleged DDJ Chapter in Chicago, Illinois

On May 25, 1966, [REDACTED]

[REDACTED] advised the Chicago Office of the Federal Bureau of Investigation (FBI) that the Deacons of Defense and Justice, Incorporated (DDJ), recently opened an office at 1230 South Pulaski Road, Chicago, and the telephone number of the Chicago Office of the DDJ is 522-7706.

~~CONFIDENTIAL~~

ERNEST THOMAS, an organizer for the DDJ, reportedly is the individual who is responsible for organizing the Chicago chapter of the DDJ. THOMAS is in and out of Chicago frequently but is not known to have any permanent address in Chicago.

[REDACTED] that the DDJ is incorporated in the state of Louisiana only and had not filed papers to do business in any other state. b1

[REDACTED] that ERNEST THOMAS has been traveling (c) around the United States calling himself the Regional Vice President and Northern Director of the DDJ and has claimed to set up DDJ chapters in several cities in the United States on a militant basis. [REDACTED] that these (c) efforts on the part of THOMAS are reportedly entirely of his own volition and are not supported or condoned by the DDJ at Jonesboro, Louisiana.

[REDACTED] the (c) DDJ headquarters at Jonesboro, Louisiana, has never received any requests for charters from anywhere outside of the state of Louisiana and that such charters could not be issued outside the state if they were so requested.

MISCELLANEOUS

On April 19, 1966, a representative of Alcohol and Tobacco Tax Unit, U.S. Treasury Department, Los Angeles, California, advised that his source has been unable to obtain any information concerning the shipment of machine guns from the Czechoslovakian Firearms Manufacturer to the Deacons of Defense and Justice. His source said that he now feels that he received false information from the beginning and does not feel that this matter has any merit. His source said that he would continue to be alert for information reflecting upon this matter. ATF referral
